

DROPPING OFF ITEM(S) FOR YOUR CHILD

- All NMS students have been instructed to go to the table in the Lobby near the guard to retrieve their items. Please ensure your child's name is on the item using the form provided at the table.
- If dropped off prior to your child's lunch time, this item will be given to your student during their lunch period.
- If dropped off after your child's lunch time, your student will be

called to the Cwing office during afternoon announcements to retrieve their item. Any items coming in after this time will be given to your child prior to the end of the school day.

- **We prefer not to interrupt a class unless it is an extreme emergency, thanks in advance for your understanding and cooperation.**
